ACTIVATED BY MEDIALIFE™ × Snowday Media

ACTIVATED MERCHANDISE PROGRAM

Merch your fans can experience.

Premium merch with an NFC tag and QR code inside. Fans tap it with their phone and an immersive experience opens in the browser: no app, no download. A secret scene, a reward, a moment with you.

How it works

1 Sign up and onboard
Join the Creator Hub with our link and tell us about your channels. Ten minutes.

2 Sign the agreement
Read and sign the program agreement right in the hub. Your IP stays yours.

3 Approve the campaign
We design the merch and the experience. Nothing is made without your yes.

4 Production and distribution
We make it, program every tag, run the store and ship every order.

5 Get paid
Every sale and your share show up live. Paid out after the returns window.

What MEDIALIFE does

- Designs the merch and the experience with you
- Produces it and programs every tag and QR code
- Runs the store, ships orders, handles returns
- Shows every stage, order and payout in the Creator Hub

What you do

- Share your art, or references we design from
- Approve designs: nothing is made without your yes
- Tell your community when it launches
- Earn your share of every sale, paid out from the hub
